UK Communications Recommendation  
for Market2go Discount Telecom Services; Paul Petro

Dear Prospects of Paul Petro,

I had a chance to work with Paul Petro on a number of projects and all the time he had worked for UK Communications he proved to be a great asset. Paul was always reachable and his knowledge and experience made him a vital member of our team. Paul 's active involvement and outstanding work approach provided a great support for my company. His focus on solving problems promptly and effectively turned out to be priceless when UK Communications was through some tough times. I look forward to working with him on any future projects.

Sincerely,
